REPAIRS & EQUIPMENT

### Welcome To Our Family

Jessica Heath started Heath Family pools after leaving the corporate world and taking what she loved about her career world with a great and providing services with love she started a new

about her career, working with people and providing unique services, with her as she started a new company. When Heath Family Pools opened several years ago, Jessica set out with the goal of changing the pool industry one pool at a time.

Wanting to stand out and make a difference in an industry where many homeowners have come to expect less than stellar service, Jessica strives for excellent and thorough service and communication.

Heath Family Pools services include balanced chemistry, extensive weekly cleaning services, equipment replacement and repair, salt and chlorine water care, filter cleaning, drains, cosmetic makeovers and upgrades, and more.

Call today for more information @ 480-267-3176.

### Heath Family Pools Services

## Keep Your Pool Happy

Great Service All Year

#### Weekly Service

Weekly service all year is important for a healthy swim season.

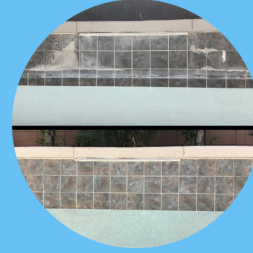

Heath Family Pools offers weekly service year-round to maintain a healthy chemistry balance and clean surfaces and water for an incredible swimming.

Maintained Equipment Means Systems Work

#### Maintenance & Repairs

Healthy, well maintained systems keep pools clean and healthy after weekly service. We recommended filter cleanings 3-4 times a year depending on each pool's system. Weekly services included equipment inspections.

Beautiful Inside And Out

#### Cosmetic Makeovers

Cosmetic makeovers don't change the quality of swim time or health of a pool's water, but these changes and upgrades sure do make the swim season more fun. From surface refinishing to tile cleaning, we make your pool look and feel better.

## Awesome Customers With Happy Pools

**Lilia Sanchez Gonzalez**  recommends Heath Family Pool Service.

April 30 · 

Shout out to Jessica and team for the awesome job of removing years of calcium build up and for keeping our pool and spa squeaky clean year round ! It looks brand new and ready for summer! Thanks Jessica!
